

NEW ORLEANS SPECIAL EDITION

THE FACTS

WHAT: This will be more of a "retreat" format and less of a formal workshop, however there will be classes and enough studio time to interact with each teacher and learn a bit more as needed. There is a single project with parts designed by each of the teachers. It is a mystery project and you will get to see "hints" as we get closer to the event, but will not be able to see the entire project until you arrive.

There will be time to shop and places to shop. I'm working on a shop outing for all of us at a local needlework shop.

There will be an opportunity to purchase designer-direct

WHEN: February 10-13 2008. Arrival will be Sunday, February 10th with the first class on Monday evening. Checkout will be on Thursday, with the last class being Wednesday evening. There will be studio time on Monday, Tuesday and Wednesday evening.

WHERE: New Orleans, Louisiana. The hotel is the Ambassador Hotel which is in the old Warehouse District and was formerly a coffee warehouse. It is a short walk to the French Quarter. (about 3 blocks, so those who have disabilities may want to take a cab) Harrah's casino is about a block away, and "Mother's" restaurant is across the street.

WHO: Teachers are:

Patricia Bage (Patricia Ann Designs, England)
Thea Dueck (The Victoria Sampler, Canada)
Janie Hubble (The Cat's Whisker's Design Studio, Australia)
Catherine Strickler (Indigo Rose, US)
Cindy Valentine (Cindy Valentine Designs, US)
